

Why Swish Premium Garbage Bags

They're stronger.

A regular strength premium bag is superior in performance and thickness to a strong recycled bag. Strong premium bags equal extra strong recycled.

Eliminate Waste Through Double Bagging.

Premium bags deliver performance you can trust.

They are made with a higher quality resin and contain as much as 20% more resin than comparably rated less expensive bags.

Odour Counteractant Fragrance.

Premium bags contain a pleasant odour counteractant fragrance to combat unpleasant smells associated with refuse collection.
