

Minuteman[®]
Excellence Meets Clean

EX12 & EX12H
Portable Carpet Extractors

General Overview

- 12 gallon portable extractor
- Available with or without a water heating system
- Available in 100 PSI or 250 PSI
- Comes standard with a 15 foot vacuum & solution hose and an easy glide wand

Productivity

- Cleans up to 500 square feet per hour
- Large 12 gallon solution and recovery tanks
- Available in 2 models to meet all of your cleaning needs

Ease of Use

- Operator-friendly control panel features independent switches allowing individual control for vacuum and pump
- Easy glide wand provides less drag and cuts down on operator fatigue
- Easy open vacuum lid with large opening for easy clean-out of the recovery tank
- Pull handles for easy loading

Key Features

- Heated unit has 3 position switch so you can run at 1,000 watts, or boost to 1600 watts which will heat the water twice as fast
- Constructed of non-corrosive polyethylene that won't dent, corrode or rust
- Heated unit has a circuit indicator light that lets you know if you are plugged in to 2 separate circuits
- Automatic ball float shutoff prevents damage to the vacuum motor
- Large 12" stair climbing wheels
- On board storage for hoses
- Clamshell design for simple serviceability

Safety

- Heavy duty UL approved power cord
- Moisture resistant switches
- Non conductive operator control console
- Hospital grade plugs that meet all health care compliance regulations

Markets

- Building Service Contractors
- Hospitality
- Institutional
- Health Care
- Retail

Accessories/Options

- Upholstery tool
- 25' vacuum and solution hose
